Board Member Spotlight

Debbi Christy

Debbi Schimpf Christy was born and raised in Putnam County. She is a Greencastle High School graduate and holds a degree in Early Childhood Education from Indiana University. Currently she is Treasurer and Wellness Coordinator for the West Central Indiana Educational Service Center and acts as the Cooperative Purchasing Coordinator for twenty one area school districts. A traumatic family event provided the fuel for her passion toward developing change with regard to Traumatic Brain Injury. Close to her heart is her involvement with the Rose-Hulman Bio-medical Capstone Team Projects, the Brain Injury Association and remaining an on call resource with the Traumatic Brain Injury Family Outreach. She is also a Corporate Officer for Datamark Development, Inc.

Debbi and her husband Mark have two children, Kaila, a 2010 Indiana University graduate. Kaila is married to Jonathon Harkins and they have two children, Ezra and Clary. Drew, was a Lilly Scholar in 2006 who attended Rose-Hulman Institute of Technology. He continues to recover and rehabilitate from the injuries sustained in a motor vehicle accident in 2008. Debbi considers her greatest accomplishments to date her near thirty year marriage to Mark, her high school sweetheart, and their children who make her smile when they call her Mom.
