To Whom It May Concern:

I have known Some Girl Anderson for nearly 4 years and have seen her grow from a quiet eighth grade student to a beautiful high school senior. I have had the privilege of watching Some Girl blossom from as a member of the Putnam County Youth Philanthropy Committee (YP Committee). She interviewed for our committee near the end of eighth grade and has served each of her years of high school.

Some Girl is not only academically talented as confirmed by her transcripts and I'm sure from other recommendations from her teachers but she is compassionately talented. That is the aspect of Some Girl Anderson that I know best and wish to convey to you.

Some Girl is one of the most kind and compassionate young persons that I know. As a former youth pastor and now the staff leader of the Youth Philanthropy Committee, I have had the privilege of working with some compassionate youth but Some Girl rises to the top. She is the first to respond to a need and is always looking to serve those around her. As a result she was recognized by her peers and selected to be the chair of this year's YP Committee.

The YP Committee makes grants to youth-led projects that meet needs and benefit youth in our county. During the four years she has served on the YP Committee, Some Girl has developed the skills necessary to examine each grant request and review it compassionately and intellectually. She is able to make decisions without allowing her heartstrings to be the final arbitrator of her decision. This is not an easily obtained skill as many people follow only what their head or heart directs.

I am the father of two extraordinary daughters including one with special needs. I would be just as proud to call Some Girl Anderson my daughter. In college, Some Girl Anderson will be successful. Her greatest contribution to her collegiate home, however, will be her service.

I am pleased to give my unconditional recommendation to you on behalf of Some Girl Anderson. You will quickly find her to be a valuable asset to your college community.

Sincerely,

Dean A Gambill
Director of Community Development
Putnam County Community Foundation

Selection Committee,

It is with great pleasure that I recommend Cool Chick Vine as a Bonner Scholar at Earlham College. I have known Cool Chick for three years as the staff representative of the Putnam County Youth Philanthropy Committee. The Youth Philanthropy Committee is a committee of the Putnam County Community Foundation made up of 11 high school students from the four high schools in Putnam County. The committee makes grants to youth-led service and philanthropic projects throughout Putnam County.

I met Cool Chick toward the end of her freshman year at Some High School when she applied to be a member of the committee. Thirty-six applications were received for nine openings on the committee. After reviewing the thirty-six applications, the committee invited sixteen students to interview before them. Even though she was one of the youngest to interview, Cool Chick was scored as the highest applicant by every single committee member.

Cool Chick is completing her third year as a member of the Putnam County Youth Philanthropy Committee. She has been the chair for the past two years and has been stellar. She has a deep concern for others which is evidenced by the many activities in which she engages. As a member of the committee, she has been a stalwart member whose attendance and encouragement of others is unsurpassed. Her fellow committee members have taken note and elected her to be the committee chair, each of the past two years. She has taken this role very seriously and is out front leading without prodding.

On the personal side, Cool Chick lost her father this past year to cancer. They were very close as is her entire family. Through the year of struggle with cancer, Cool Chick did not miss a beat and refused to see herself as a victim. Her courage and determination in the face of such a difficult time, further supports my belief that Cool Chick Vine will be a success regardless of the problems she may face.

Please accept my unqualified recommendation for Cool Chick Vine to be a Bonner Scholar at A Great College. She makes me proud every day and will do the same for you.

Sincerely,

Dean A. Gambill
Director of Community Development
Putnam County Community Foundation
